3.15.92.x Beach slippers

3.15.93.x Dialets

1.4.5 OUTDOOR/HIKING

26 Trekking boots = Hiking, not for climbing

27 Mountain shoe = High alpine mountain shoe, for climbing but without a shell/mould.

28 Moulded mountain boot = High alpine mountain shoe made out of synthetic material for glacier tours and expeditions, waterproof and for climbing

29 Climbing shoes = for active climbing.

30 Multifunction boot = for hiking, limited suitability for mountains

31 Multifunction shoe = Flexible Outdoor shoe with a grip sole.

32 Trekking sandal

1.4.6 FUN WHEEL SPORT

PMGr. 69 – 73 Inline Skates = vertical wheel position/-chassis

PMGr. 67 Roller Skates (Squad Skates) = horizontal wheel position/-chassis

Accessories of Fun wheel are categorised under „Hardware".

1.4.7 ALPINE SKI SHOES

Here there are:

48 Rear entry = All-rounder boot with moveable flap at the heel for an easy entry. Possibility of a central locking system.

49 Front entry = Sporty ski boot with a classical construction with many straps for perfect fit (with diverse inner sole variations).

51 Central entry = Sporty and comfortable ski boot with extended help in entry due to flap over heel section that will lock and release in walking and skiing motion.

53 Soft = Due to the mixture of materials used; parts of the boot are made softer to improve comfort. Different fastening systems also improve wearability.

1.4.8 SHOE ACCESSORIES

See point 1.3.4
